

OCTOBER BLOCK RELEASE FOR THE NAMOI VALLEY

6 October 2009

Based on the completed survey results and customer demand a small block release will commence Wednesday 7 October 2009 and continue for up to seven days to supply demand during October and early November.

Customers requiring irrigation water during October and early November are advised to **place water orders now**. Water orders will be accepted up to Monday 12 October 2009.

Customers can assist State Water with meeting their water requirements by filling in the attached survey regarding the timing and volume of flows required until the end of December. The completed survey is to be faxed to (07) 4671 3915 by 8am Monday 19 October 2009.

Customers are reminded water orders are able to be placed through iWAS seven days a week, though orders must be placed by 8am on the required release date.

Water orders can also be faxed to 1300 871 447 or emailed to Northorders@statewater.com.au **Monday to Friday**, and need to be received by 8am on the day of required release. Orders received after 8am will be released the following day.

Customer requiring water deliveries outside these times are advised to contact State Water. For further information regarding water delivery please contact Ken Gee on (07) 4671 6131.

State Water will continue to monitor water resources and weather conditions and if conditions improve will review planned water delivery arrangements. State Water wishes to thank users for their co-operation and looks forward to helping achieve the greatest productivity from the available water.
